Account creation on LearningAcademy.3m.com

When you arrive on the site, click on the Sign In button on the right side of the page.

In the drop down under Sign In, please select the Create Account button. Note that during the account process, it will check your email address for an existing account.

Note: If you are a Certified Instructor you should have an account using the primary email address from our previous system. You should have received an email with your new password, if you can't locate that email when you select Sign In, you can reset your password.

Safety Training

Under Create Account, select the Create an Account button.
